Dear Parents,

I am very pleased to announce that Taryn Walsh will be joining our first floor team as the new Supervising Instructor. Taryn has extensive experience in the field having worked intensively with children with Autism as the Lead Therapist at OVA in Geneva Switzerland. She has considerable ABA knowledge with an emphasis on Verbal Behaviour. Her five years of experience include working at the Geneva Centre for Autism in Toronto. Not only are Taryn's experience and clinical abilities well known to us, but she is very experienced in our methods and practices, having worked with ST's Jen Donnelly, Clinical Coordinator and Dalena Mustillo, our other Supervising Instructor.

I am confident that Taryn will be a great addition to our supervisory team. Taryn starts next Monday October the 22nd. Please join me in welcoming Taryn to our Shining Through family.

Congratulations and welcome to all of our new staff.

Thank you,

David A. Clement  
Executive Director
