WHO: David Clement, Executive Director, Shining Through Centre
Shiri Bartman, Clinical Director, Shining Through Centre
Bénédicte Lucas Eissa, Visitor from Switzerland
Karin Thiollay, Visitor from Switzerland

WHEN: Monday, November 5, 2007
Shining Through Centre Tour 10 a.m. – 12 p.m.

WHERE: Shining Through Centre
7365 Martin Grove Road between Highway 7 and Highway 407

About Shining Through Centre:

The Shining Through Centre was founded in 2001 to provide an intensive and comprehensive educational program for children with Autism. Located in an historic home in Woodbridge, Shining Through Centre is regarded as one of the premier sites in Ontario for support for children with Autism. The program is based on scientifically validated procedures of Applied Behavioural Analysis (ABA), offered through one-on-one instruction for each child.
